1. Please confirm whether your organization would like to participate in the federal impact assessment process for this project, and if yes, please provide a contact person who would work with the Agency.
No, not from a tourism perspective. Our Ministry colleagues in the Culture Division may provide separate comments and information based on their mandate.
2. What technical analysis would you be undertaking? Would you be willing to cooperate with the Agency on this analysis?
None. N/A.
3. Does your organization have any advice on matters that should be included in the Summary of Issues and addressed by the proponent in the Detailed Project Description? Please discuss.
For each issue (or matter) discussed, provide a concise, plain-language summary that is appropriate for inclusion in the Summary of Issues
No. Not from a tourism perspective.
4. Does your organization have any advice on matters to consider for inclusion in the Tailored Impact Statement Guidelines? Please specify.
No. Not from a tourism perspective.
5. Do you have any comments about this project in relation to effects as defined in section 2; prohibitions as defined in section 7; and factors as defined in section 22 of IAA¹, including species at risk or impacts to Indigenous peoples? Please discuss.
No. Not from a tourism perspective.

6. Do you have comments related to issues such as health, environment, economic or social conditions that you wish to note for the Agency's consideration (both positive and negative)? Additional topics for consideration include gender-based analysis; alternative means to carry out the Project and / or alternatives to the Project; cumulative effects; and sustainability. Please discuss.

Ontario-based tourism operators whose activities may be impacted by the proposed project should be engaged directly by the proponent to determine if they may have any comments or concerns.

7. Please provide the public contact information for your organization. This could be a generic or specific email address for inquiries about your organization's role on the project (e.g. permits, authorizations, guidance or funding within your organization's mandate).

See contact information on page one.

8. Based on the Initial Project Description, please confirm what project components and activities you would consider relevant in relation to permits, authorizations or guidance within your organization's mandate. For each, provide links or attach the document(s) to this form.

N/A.

9. Will your organization be issuing a permit, authorization or be involved in this project in a regulatory manner? If yes, please specify.

No. Not from a tourism perspective.

10. For any permits or authorizations that you intend to issue, please provide a short description of each with specific information on the location or component of this project to which the permit or authorization would be applicable.

N/A.

11. Will there be opportunities for engagement with the public or Indigenous groups as part of the regulatory process within your organization's mandate? If so, when is this likely to occur (e.g. during the impact assessment process, during a specific phase of the impact assessment process such as the impact statement phase, or post-impact assessment, etc.)

N/A.

12. Will your organization be providing any participant funding in relation to engagement with the public and Indigenous groups? If yes, who is eligible?

N/A.
